

# Take A Rest

Easy Drum Sheets™ version

by Mike Vaughan

The drum sheet music is written on ten staves, each beginning with a double bar line and a 4/4 time signature. The notation includes various rhythmic patterns: quarter notes, eighth notes, and sixteenth notes, often beamed together. Above the notes, 'x' marks indicate cymbal hits. The music is divided into sections by double bar lines, with some sections containing repeat signs. The final staff concludes with a single 'x' mark above a final note.
